Was study abroad part of your academic life and college experience as a student? **If so, where in the world did you go?**

4 responses

No, not in college. I would go to Germany or Greece for exploring the educational psychology.

Did not study abroad

No

No but have traveled to Brazil, Colombia, Costa Rica, England, Mexico

Name the greatest benefit [personally or professionally related] that you garnered from your study abroad experience.

4 responses

In elementary school, I lived with a family in Paris, France for three weeks. It taught me resilience, cultural awareness, interpersonal communication.

N/A

Na

Interpersonal challenges and successes

Imagine an international destination where you can envision **two-weeks teaching to**

YOUR students, and those from other institutions.
Name the country where you imagine that happening.

4 responses

I would totally be interested in doing this with some of our Advanced Manufacturing students in Japan. We have strong relationships with Toyota and could potentially support this trip through their foundation.

Denmark

Greece

Thailand or Spain??

What discipline and topic do you envision teaching in that country?
[example: Business / Supply Chain Management]

4 responses

I would encourage our Robotics Faculty to explore this.

Nursing

Observe

Manual therapy

Name one obstacle that makes this idea feel 'unattainable'.

4 responses

Funding, and the time needed to build and prepare the experience.

Administration at the college

Support from college
